

### Annual Catch Basin Cleaning set to begin May 15

May 11, 2023

Beginning Monday, May 15, 2023, GFL Environmental Inc. will begin the annual catch basin cleaning program. Crews will start on the east side of the City, in area 12. (Please refer to map below). The contractor will work on the east side of the City heading south into area 13, until the east side of the City has been completed.

Residents within area 12 and 13 are advised not to park on any catch basins during the week of May 15-19. Please approach working crews with caution and obey traffic control personnel's directions.

See map below for more details.
