

Public Notice

Upcoming Construction

November 17, 2023

Scholfield Avenue down to one lane, November 17 to 21, 2023

Starting Friday, Nov. 17, O'Hara Trucking & Excavating Inc. will be making a repair in front of 50 Scholfield Ave. on the force main that discharges into Eagle Marsh. At the time of the repair, traffic will be reduced to one lane. Emergency vehicles will have access.

On Monday, Nov. 20 to Tuesday, Nov. 21 crews are planning on installing a collection point, which would involve a soak away catch basin with a large weeping section to mitigate issues that occurred in the previous year on Clare Ave. and Linwood Ave. This work will take place on the shoulders of the road and traffic may be reduced to one lane in those two locations. Emergency vehicles will have access.
