Urban forest assessment and management plan to begin August 18

August 18, 2022

Project 2022-07 Urban Forest Assessment and Management Plan will begin today, Thursday, August 18, 2022. The consultant Williams & Associates will be conducting an Inventory of trees in Port Colborne.

The tree inventory will collect upwards of 2,000 trees, which is estimated to wrap up near the end of October 2022.

The inspection staff will be wearing orange vests and walking around inspecting trees on public property or within the Right-of-Way.

More information about this project can be found on the City website at, [Urban Forest Management Project - City of Port Colborne](#)
