Subject: Notice of Live Music Events at Sun Retreats Sherkston Shores

Dear Neighbor,

We hope this letter finds you well. As a valued neighbor of Sun Retreats Sherkston Shores, we want to inform you about our upcoming live music events scheduled to take place during the months of May through October.

We understand the importance of maintaining a relationship with our surrounding community, and as such, we have made several adjustments to our live music schedule this year to minimize any potential disturbances caused by these events.

Specifically, all live music performances held within indoor venues at our resort will now take place between the hours of 8:00 PM and 11:00 PM. Furthermore, for outdoor venues, we have implemented a hard stop time of 10:00 PM for live music events. These adjustments are aimed at ensuring that any noise generated by our activities remains within reasonable limits and does not disrupt the peace of the neighborhood.

In addition to adjusting our event times, we have invested in purchasing noise decibel readers. During each live music event, our staff will be scheduled to take readings of the noise levels and document them. This proactive measure allows us to monitor and ensure that noise levels are kept at acceptable levels in accordance with local regulations and community standards.

We sincerely hope that these measures will address any concerns you may have had regarding the impact of our live music events on the community. Thank you for your understanding and cooperation in this matter. We value our relationship with our neighbors and are committed to being good neighbors ourselves.

Kind Regards,

Dareck Stevenson, CPA CA
