

Road Closure – Sugarloaf Street

March 8, 2022

6M Contracting Limited will be completing site servicing work at 235 Sugarloaf Street on Wednesday, March 9, 2022. To accommodate this work, Sugarloaf Street will be closed between Isabel Street and Fielden Avenue on Wednesday, March 9, 2022, beginning at 7:30 a.m. The roadway is expected to re-open by 6 p.m.

Due to the location of work, the driveway fronting the hospital (from Steele Street to Sugarloaf Street) will be closed to through traffic. The 5-6 parking stalls located at the driveway entrance at Steele Street will remain open for visitors. No other hospital access points will be obstructed during this work.

See the map below for more details, including detour route.
