PUBLIC NOTICE

Website Maintenance – March 8, 2022

March 7, 2022

Please be aware of an upcoming scheduled maintenance period for our website, www.portcolborne.ca, taking place on Tuesday, March 8 at 10 p.m. for approximately four hours. During this time, you will not be able to access www.portcolborne.ca, due to the service maintenance activities required.

We are aware that Tuesday, March 8 is a Council night. Council meetings are streamed live from our [YouTube channel](#) and will not be impacted by this service maintenance. We do, however, recommend downloading the council agenda to your computer as a PDF rather than viewing on our website in case the council meeting goes beyond 10 p.m. You can download the council agenda on our [website](#).

We thank you for your understanding and apologize for any inconvenience this may cause.
